LESSONS OF THE CHINESE REVOLUTION

MAO: BURNER OF BOOKS

#80 X-DS778 .M3

Chinese Communists are burning books. They are burning all the books that do not conform to the Moscow-Peiping line. They are trying to destroy China's culture.

Takungpao, a Communist newspaper printed in Shanghai, reports that one publisher was forced to destroy 237 tons of books last year. Peiping's book purge has reduced this publisher's catalogue from 13,000 titles to 2,000.

The Communists have purged all but 1,200 of the 15,000 titles published by *Commercial Press.*

Communists can burn books. They can turn the printed word to their use. But they cannot erase truth from the minds of men.

Communism is built on lies, falsehood, and thought control.

COMMUNISM IS *AFRAID* OF THE TRUTH!
